

BPS Newsletter Term 1 Week 9 2026

Principal's Message

Ngaji Gurrijan

As we near the end of another busy Term, I would like to thank our school community for a great start to the year. It has been especially pleasing to see a significant improvement in student attendance, now at its highest level since before COVID. This reflects the commitment of our students and families and is vital in supporting positive learning outcomes for our students.

Our staff have worked hard to coordinate culturally responsive quality learning programs and provide opportunities for students to flourish socially, emotionally, and academically in a safe and inspiring environment. Their commitment ensures that every child is supported to achieve their best while feeling valued and connected.

Throughout the term, our students have been actively engaged in a wide range of learning experiences. Our Year three and five students have completed NAPLAN and a number of our Year 3-6 students participated with enthusiasm whilst displaying great sportsmanship in the Swimming Trials.

Numerous students also challenged themselves in the Maths Competition, applying their problem-solving skills in new ways. The Interschool Basketball Carnival was another highlight, with our teams representing the school with pride, teamwork, and respect. Students also enjoyed the PBS sausage sizzle reward picnic, celebrating positive behaviour, effort, and school culture together.

Looking ahead, we are excited to celebrate a significant milestone in our school's history, our upcoming 125 Year Anniversary. This will be a wonderful occasion to honour our rich heritage and bring our community together in celebration.

I would like to thank our staff for their dedication, our students for their enthusiasm, and our families for their ongoing support. It is through this strong partnership that our school continues to thrive.

I wish everyone a safe and restful break and look forward to an exciting and productive Term 2.

Gala Mabu (thank you), Galya (goodbye)

[Broome PS School Board](#)

We invite parents and carers to consider nominating for the School Board, with one position available for 2026. The School Board plays an important role in supporting the school's strategic direction by overseeing governance, performance and financial matters.

Board members attend approximately six meetings per year and work collaboratively with the school leadership team to ensure the best outcomes for our students.

If you are interested in contributing to our school community in this way, or would like further information, please contact the school administration to discuss the role or to submit your nomination.

All nominations need to be received by Friday 24 April.

[Broome PS 125 Year Anniversary](#)

This year marks a very special milestone for our school as we celebrate our 125 Year Anniversary. Reaching 125 years is a remarkable achievement and provides an opportunity to honour the rich history, traditions and strong community spirit that have shaped our school over generations.

To celebrate this significant occasion, we are beginning to plan a series of events/activities that will bring our community together and recognise the many people who have contributed to our school's journey.

We warmly invite parents, carers, staff and community members who are interested in being part of the planning process to attend a meeting on Wednesday 22 April at 3.00pm in the staffroom. This will be a great opportunity to share ideas, contribute suggestions and help shape a memorable celebration.

We look forward to working together to make this milestone a truly special event for our entire school community.

Introducing Mikaylah Bin Sali – Shooting Stars Staff Member

Hi, my name is Mikaylah Bin Sali and I am joining Broome Primary with the Shooting Stars Program. I will be mentoring girls from Year 3-6 and I am very excited to build connections, create confidence and support our girls through Primary School.

Highlights from Term 1

Interschool Maths Competition

Congratulations to all our students who represented our school at the Broome Interschool Maths Competition.

A special well done to our Year 4 team, Jack, Jasper and Huon — who achieved an outstanding 1st place. Our Year 6 team (Leila, Hailey and Eleanor) and Year 5 team (Theo, Mattie and Lachlan) also performed admirably, both finishing in 4th place. Overall, Broome Primary School placed 3rd in the competition.

We extend our sincere thanks to Lorelle Geisen for her ongoing dedication in preparing our students each year, and to Broome North Primary School for hosting this fantastic event for the past eight consecutive years.

Our Kindergarten students had a wonderful time designing and carefully creating their Easter hat masterpieces! Their creativity shone through in every colourful and imaginative design.

We were delighted to welcome our wonderful families, who joined us for a joyful parade filled with Easter inspired songs and dances. The children were so proud to share their hard work and festive spirit with you.

Thank you to all our families for being part of our Easter Hat Parade and helping make the day so special.

Harmony Day in Year 2

The Year 2 classes held a combined Harmony Day celebration. Activities included creating a connection web to show that everyone truly does belong, a delicious, shared lunch with food from across the globe and a dance party showcasing cultures from each continent. Students and staff all agreed that Harmony Day was a wonderful opportunity to celebrate inclusiveness, respect and belonging. It reminded us that our diversity is a strength and that together we can create a positive, friendly environment for everyone.

Janun 2 Science - Exploring Coastal Environments

This week, Year 6 students explored how animals survive in coastal environments, focusing on the mudflats of Roebuck Bay. They learned how shorebirds find food, adapt, and depend on these ecosystems.

Students visited the Broome Bird Observatory to observe wildlife firsthand, with Elder Miss Judy Edgar sharing Yawuru knowledge and strengthening connections to Country.

This excursion followed a recent incursion, where one class joined a grant-supported program on shorebird conservation. Together, these experiences connected classroom learning with real-world understanding and fostered respect for wildlife and Country.

Sport News

West Kimberley Primary Schools Interschool Swimming Carnival

Last Thursday, Broome Primary School competed in the Interschool Swimming Carnival at BRAC, with 26 students from Years 3–6 taking part in 84 events against six local schools.

What stood out most was our students' outstanding behaviour, teamwork, and support for one another—qualities that truly reflect what Broome Primary is all about.

Broome Primary finished 3rd overall, earning a Bronze placing on the day. Congratulations to Lisa O'Neill (RPS) for organising the event, and to Broome North PS for being crowned champions.

Special mentions to standout swimmers: Hamish Mexted (Year 3 – 3rd), Harper Harris (Year 4 – 2nd), Lenny Cooke (Year 4 – 1st), Mattie McNicol (Year 5 – 1st), and Abigael Johnson (Year 6 – 3rd).

Mr Tim

West Kimberley Interschool Basketball Carnival

Broome Primary proudly competed in the West Kimberley Interschool Basketball Carnival at the BRAC outdoor courts, entering both boys and girl's teams. Each team played four games against strong regional competition.

The boys showed great improvement across the day, finishing 1–3, with growing confidence and teamwork evident in every match. The girls delivered an outstanding performance, going undefeated in pool play to reach the grand final, where they finished as deserving runners-up to Derby.

We are very proud of all players for their effort, sportsmanship and resilience.

Congratulations to award winners: Abigael Johnson (Girls MVP), Rachella Nimbwen (Girls Endeavour), Jensen Pope (Boys MVP) and Blake Odiam (Boys Endeavour).

HOW ABSENCES ADD UP

WEEKLY BREAKDOWN
 There are 5 school days each week.

- 5 days = 100% attendance
- 4 days = 80% attendance
- 3 days = 60% attendance
- 2 days = 40% attendance
- 1 day = 20% attendance

FORTNIGHT (2 WEEKS)
 There are 10 school days in a fortnight.

- 10 days = 100% attendance
- 8 days = 80% attendance
- 6 days = 60% attendance

PBS in Focus

PBS in Focus

Last Friday, students and staff came together to celebrate our first whole-school goal of 20 000 Dojo points with a whole-school picnic sausage sizzle. A big thank you to all staff who helped organise and set up the event. Judging by the smiles on students' faces and the positive feedback from staff, the picnic was a *SIZZLING success!*

Through our Positive Behaviour Support (PBS) program, students work towards our school expectations: We are respectful, We are safe, and We are learners. As students demonstrate these behaviours, they earn Dojo points that contribute to both individual and classroom goals.

Dojo points allow us to recognise and celebrate the positive choices students make every day.

Our next whole-school target is 40 000 Dojo points. We will spin the reward wheel at this week's assembly to reveal our next exciting whole-school reward.

Library News

For the next 12 weeks we are encouraging students to participate in the Premier's Reading Challenge. Students who log their reading go in the draw to win weekly prizes. Some of the 2026 weekly prizes include: Book vouchers, Kmart vouchers, Cotton On vouchers, Yeti water bottles & Kobos.

Helping Our Students Reach Their Full Potential

At Broome Primary School, we support students to feel confident, happy, and ready to learn through the *You Can Do It!* (YCDI) program. This approach builds Social and Emotional Learning—helping children manage emotions, build relationships, and stay positive.

The 5 Keys to Success

- **Confidence** – believing in yourself
- **Persistence** – sticking with challenges
- **Organisation** – being prepared
- **Getting Along** – building positive relationships
- **Resilience** – bouncing back from setbacks

This Term's Focus: Resilience

Students are learning that while we can't control everything, we can control how we respond. Resilience helps them stay calm, learn from mistakes, and keep trying.

How You Can Help at Home

- Encourage “bounce back” thinking: *“I can handle this”* or *“I’ll try again tomorrow.”*

- Help them identify “big” vs “little” problems.
- Praise effort and persistence

Together, we can build the mindset our students need to thrive.

Information for Families

A big thank you to the parents and carers who placed their 2026 booklist orders online through Office National.

Thanks to your support, Office National has donated **\$379** to Broome Primary School for all online orders received.

This contribution will go directly towards enhancing student resources in 2026, helping to support learning across the school.

We appreciate your continued support of our students and school community.

Thank you

Don't forget to pack Crunch&Sip® every day

Crunch&Sip® is a set time for children to eat vegetables or fruit and drink water in the classroom

What to pack for Crunch&Sip®

Tips!

Be prepared

Make sure the veggies and fruit you pack for Crunch&Sip® are low mess and quick and easy to eat. Pre-chopped veggies are ideal and can be prepared ahead of time. To maintain freshness, store in an airtight container in the fridge, cover with a wet paper towel for added moisture.

Bite sized pieces for little ones

Chop small whole fruit and vegetables like grapes and cherry tomatoes into halves or quarters for younger children to reduce the choking hazard.

Hygiene

Wash vegetables and fruit. Make sure your child's water bottle is cleaned regularly and clearly marked with their name.

Crunch the rainbow

Choosing different coloured vegetables and fruit makes it interesting and is good for health! Go red with tomatoes or strawberries, green with snow peas or green beans, orange with capsicum or a mandarin, purple with purple carrots or grapes, and white with cauliflower or bananas.

Take the veg pledge

Research shows that while most kids eat enough fruit, only 5% consume enough vegetables. Sending vegetables for Crunch&Sip® is a great way to develop healthy habits and boost these numbers!

Our vision is to achieve a nation free of suicide and self-harm for Aboriginal people are disproportionately high. To tackle this problem head-on, this service will be led by an Aboriginal and Torres Strait Islander Advisory Board and employ professionals in suicide prevention and crisis support utilising Lifeline's extensive experience and infrastructure.

We take the time to listen. No shame, no judgement, safe place to yarn. We're here for you.

13YARN is an Aboriginal & Torres Strait Islander crisis support line funded by the Australian Government with the support of Lifeline and developed in collaboration with Gayaa Dhuwi (Proud Spirit) Australia. It is run by Aboriginal and Torres Strait Islander people.

We have co-designed this line using Lifeline expertise with several Aboriginal mental health professionals including NACCHO, Black Dog Institute Aboriginal Lived Experience team and the Centre for Excellence in Suicide Prevention along with input from Torres Strait Islander, remote, regional, and urban peoples with lived experience.

We work to explore options for ongoing support and community members will always be reassured they will be connected to another Aboriginal and Torres Strait Islander person who will understand where they are coming from and value knowing HOW to listen, without judgement or shame.
